## PROVINCE OF CALIFORNIA

Provincial's Residence, 55 West San Fernando St., San Jose, Calif.

For Private Circulation

MAY, 1934

No. 9

### THEOLOGATE SITE

The estate of the late Dr. Tevis at Alma recently became the property of the California Province for \$75,000.00. The residence will serve as a Theologate; a certain part of the land, however, is to be planted in grapes for the Novitiate Winery.

At present the estate consists of 950 acres; but on the death of the Superintendent, 212 additional acres will revert to the Province.

On the property there is a storage for water totaling 11,000,000 gallons, including three lakes, concrete reservoirs and miles of pipe line. Another interesting feature is the fact that there are also 16 miles of oiled roads within the boundaries of the estate.

The house furnishings and the library, containing more than 7000 volumes, were not included in the sale.

### BROPHY COLLEGE

The Spring Football Festival for the benefit of Brophy netted a welcome sum.

Father Burns inaugurated the "Leaflet Missal" in the parish with great success. Each Parishioner each Sunday was given a Leaflet explaining the entire Mass of the Sunday and Father Burns or Father Cosgrave explained the prayers and ceremonies during the different Masses.

At the request of station KOY and the American Legion, National Guard, and Reserve Officers Corps, Father Flynn will explain the Catholic Doctrine over the radio concerning war and peace, disarmament and proper national defense, availing himself of the articles in "America," "The Catholic Mind," and in Catholic textbooks on Moral Theology and Ethics as the basis for his lectures.

Father Rector published in the "Arizona Catholic Herald" an official statement concerning the "suspension" of Brophy High School and the fact that the school buildings would be used for a Catholic Grammar School. At least three Jesuits will remain in Phoenix to carry on the parish and school. The Pastor is seeking Sisters to teach in the school. The buildings and grounds will continue to belong to the Society.

### BELLARMINE PREP - SAN JOSE

During Holy Week Father McCann gave a mission at St. Gertrude Church, Stockton. Father Franchi assisted at Dixon, Father G. Leahy at Morgan Hill, Father Fabris at Newark, Father Austin at St. Leo, San Jose. The Tre Ore devotion was conducted at St. Philip Neri, Alameda, by Father Largan; at the Madames of the Sacred Heart, Jackson St., San Francisco, by Father Leahy; and at St. Patrick, San Jose, by Father Fabris.

The success of Bellarmine Guild's annual bridge will enable the members to purchase cassocks for the students' chapel, construct a shrine for the statue of St. Stanislaus in Kostka Hall, and contribute \$100 to open a Chapel Fund.

### LOYOLA UNIVERSITY

The Third Annual Frontier Nights were held at the University auditorium April 13-14. Scenic effects were obtained from the local moving picture studios; merchandise was donated from half a hundred firms, and the students were garbed in the picturesque costume of the old West. The financial returns were said to be greater than last year's.

"L'Enfant Terrible," a one-act comedy written and directed by Professor E. R. de Bourgneuf, was acted by the

University's French Club in the auditorium, April 21. M. Henri Didot, Consul of France, was the guest of honor.

Fr. James Kelly, S.J., dean of men, plans to erect a shrine in honor of Our Lady of the Wayside, near the entrance of the new road to the chapel.

"The Swan," a three-act comedy by Franz Molnar, was presented at the Carthay Circle Theatre, April 22, 23, 24, by the Del Rey Players. Critics who have witnessed Loyola's theatrical presentations during the last three years expressed their opinion that the "Swan" was the most finished production.

Fr. Vaughan continues his series of lectures over station KFAC. "Fascism in Italy" was followed by two talks on Catholic Action, in keeping with Catholic Action Week, starting April 29.

Father Francis Woodlock, S.J., of Farm Street, London, addressed the student-body of the University, Thursday, April 19. The subject of his address was Catholic Action and the Return of the World to the Catholic Faith.

## LOS GATOS

Mass in honor of St. Joseph was celebrated by Fr. Rector April 18th at the Saint's Shrine, which is just opposite the lake. This marks the second consecutive year in which outdoor community Mass has been held on the Solemnity of St. Joseph.

Approximately 30 acres have been selected on the extremity of the former Tevis estate for a vineyard. Clearing, which will consist in the uprooting of considerable brush and a few trees, will begin about May 26th.

The race track put in by Dr. Tevis, though on the life estate of the superintendent, has been kindly offered to us for use as a ball field.

The present orchards on the Tevis grounds will be kept up; an endeavor being made, however, to co-ordinate the fruit grown at the new estate and that at the Novitiate, so as to avoid any duplication of orchards.

To review films of Lourdes was the pleasurable entertainment afforded the Community, Saturday, April 21st, by Fr. Woodlock of the English Province.

## SAN FRANCISCO UNIVERSITY

On Sunday, April 15th, Father Harold Ring was installed as Rector of St. Ignatius, succeeding Father Lonergan. The Law College tendered a banquet in honor of the new President several eve-

nings later and the community dinner of welcome took place Monday, April 23d.

Mr. John Magner arrived from China on the President Coolidge, Wednesday, April 11th, and is at present the guest of St. Ignatius. He is undergoing medical examination and expects to continue with his theology in the fall. Mr. Magner addressed both divisions of the high school sodality; the Jesuit Mothers will enjoy one of his lectures in May.

A distinction of honor was conferred upon Fr. Cody who was recently included among the "Eminent American Poets," his poem, "The Teacher," being cited as an example of his splendid work.

**College**—Just after Easter the University Glee Club presented as its spring production, "The Merry Gentlemen," an operetta written by Vincent Fallon, one of the students. Some eighteen musical numbers used were all the composition of Robert Anino, also a student. The production was most enjoyable, the first act being light, comical and interspersed with catching airs; the second, in marked contrast, sad, and with a pleasing touch of sentiment. The performance was considered the best the glee-men have ever presented and the Little Theatre was packed on both evenings.

The U.S.F. debaters recently defeated St. Mary's. Two members of the team journeyed to the south, engaging on successive evenings U.C.L.A., U.S.C., Loyola, and Occidental.

**High School**—While taking over duties at El Retiro, Fr. McFadden still spends some time at the high school and is at present making plans for sending representatives to the Sodality Convention in Chicago.

The first Sophomore Oratorical Contest was held in the high school on the evening of April 10th, the medal being awarded to Charles Breen.

Mr. McGloin's Senate recently defeated the Bellarmine debating team, and Mr. Stretch's House lost a decision to Lowell.

The High School Players presented "Whistling In the Dark" on April 20th and 21st, in the college Little Theatre.

Father Charles Carroll died Sunday, April 22nd, at 12:15 A.M. He had gone down to San Mateo Saturday evening to say Mass and preach on Sunday, and as there was no room at the rectory, was lodged at the hotel. As soon as he arrived at the hotel he began to feel indisposed and a doctor was summoned. Shortly after, Fr. Carroll called for a

priest. The priest found him just losing consciousness and administered the last Sacraments. Father died shortly afterwards. On Tuesday evening the Office of the Dead was recited and the following morning the requiem Mass said at 10:00. Interment was at Santa Clara cemetery.

## SANTA BARBARA

There has been a change in the pastorate. Father Robert V. Burns is now at Blessed Sacrament in Hollywood, his place as pastor of Our Lady of Sorrows being taken by Father Joseph Stack.

One of the seniors of our Girls' High School, Margaret Linane, carried off first honors in a public speaking contest. Two representatives of each public high school in Santa Barbara and Ventura counties competed. The finals for Southern California are to be held in Los Angeles soon.

Father Lonergan is stationed at Santa Barbara for the time being.

## SANTA CLARA UNIVERSITY

Fr. Galtes is still in St. Mary's hospital, where he was taken after a slight stroke. His blood pressure is very high and he is suffering from partial paralysis.

Brother Timothy Lynch passed his 90th birthday on April 4th. A special dinner was given in his honor, with a few guests present. Brother Lynch delights all with his cheerful and serene manner.

Fr. Gianera attended the Northwest Educational Conference in Spokane during Easter Week.

Renovation of Vows was held on the feast of the Patronage of St. Joseph. Fr. Perron gave the points of the triduum.

On the evening of the Patronage, the usual annual pilgrimage to the shrine of St. Joseph was held, and produced its usual deep impression. A procession of students and faculty and a few short talks on the saint at the shrine, followed by solemn benediction in the Mission Church, made up the program.

The annual Bronco Roundup, which is a mixture of athletic events and a homecoming, drew a large gathering of spectators. Cups and other prizes are offered for winners in various events. The new bleachers which replaced the old unsafe stands were ready for the occasion. They seat about 3200 and will be increased to accommodate another

1000. C.W.A. workers tore down the old stands and were to complete the work, but the disbanding of the C.W.A. has left this work to the University.

Fr. Sheerin read a paper on "Free Will" at a philosophical meeting in San Francisco. This gathering meets every month.

Friends of Fr. Woods will be glad to learn that since Easter he has been able to resume celebration of Mass and attend community exercises. His eightieth birthday, April 27th, was celebrated by a gathering at the Family Club in San Francisco.

Four students of the University have been baptized and received into the Church in the last month.

The first annual Coolidge Competition was held in the lounge room of the Seifert Gym on April 19th. It consisted of a public moot court modeled after the Ames Competition in Harvard.
